when Peter went up to her and said, " Mowhat can I do to help you?" "My dear she said, kissing him on the forehead, thoughtful you are! I thank you for your

Doetrn. MAKE HOME BRIGHT AND PLEASANT. More than building showy mansion-More than does and fine array— More than domes or lofty steeple ay, More than station, power and asteful, Make your home both neat & fair,

Where each heart shall to there. Grateful for each be 'ty there.

More than lofty, sw s luring glare—
More than fashe on's gilded honors-

More than mare an well compare, More than a ought can well compare, More than a ought can well compare, See that he of is made attractive,

By say oundings pure and bright,

By say oundings By sproundings pure and order.
Trees arranged with taste and order. Fawers with all their sweet delight

Seek to make your home most lovely.

Let it be a smiling spot.

Where, in sweet contentment resting.

Care and sorrow are forgot;

Where the flowers and trees are waving.

Birds will sing their sweetest sporr. Birds will sing their sweetest songs, Where the purest thoughts will linger, Confidence and love belongs.

Make your home a little Eden, Let a neat and simple cottage
Stand among bright trees and flowers. There, what fragrance and what brightne

Here, a simple vine-clad arbor Brightens through each summer day. There each heart will rest contented,

Or, if roaming, still will cherish Mem'ries of that pleasant home Such a home makes man the better,
Pure and lasting its control—
Home with pure and bright surroundings Leaves its impress on the soul. ----

AGRICULTURE AND HORTICULTURE.

BY MRS. LYDIA H. SIGOURNEY. They leave no sting in the heart of memory-stain on the wing of Time. -- Hon. M. P. Wilder.

Brown Ceres, one day with Pomona was meeting 'Neath Autumn's spiriting smile,
So giving each other a sisterly greeting
They sat down to gossip awhile.

"I hope you're quite well, dear, this elegant wea-"How charming the country," they said,
And how do you prosper," both speaking to-

gether,"With regard to your business and trade?" "Look, where the rude thorn-bush and bramble

were springing
With fruitage the apple tree bends.
he southe of the mower at sunrise is swinging.
And the song of the resper ascends. "Let us walk hand in hand, for no obstacle car-

Till vines o'er the mountains shall grow; Its suit of green velvet, the brown heath be wear

And deserts with plenty o'erflow." "The gold in its mine, with excitement and won

May summon an emigrant band, And the chariot of Mars, trample on in its t. But we're the true strength of the land." For us, no lorn wife in her cottage is grieving, Earth welcomes us both in ber printe, No sting in the bosom of mem'ry we're leaving,

No stain on the pinion of time.

Leaf from Wee Wee Tales AUGUSTA'S MOUNTAIN HOME.

progress. From day to day, he would be looking the city, how rooted upon her heart, to see if she was really trying to upon her heart, to see if she was really trying to and its summer butterflies, I was soon in

"That depends upon yourself, Peter," they are in any perplexity, he will teach them say grandmother; "carry love and kindness r pocket, and you'll find no difficulty."— and ask him to lead and guide them. Strolling

Hearm for Sale.

The Sandy Point Farm belonging to the heirs of William Bateman, dec., situated in Portsmouth adjoining the Glen. There is about one mile of shore privilege, with wharf and the whole farm contains about 200 acres of excellent farming land and is in a state of good cultivation, also has a thrifty orchard which will yield the present season about 1000 bushels of apples.

The House and barn have but recently been built, with all the modern improvements.

This offers one of the finest opportunities for a person wishing a country seat on the Island, as a fine view is presented of the East Bay and Ocean, Seaconnet Point being but a few miles distant.

For terms, &c., apply to

uilt two story dwelling house, containing six coms on each floor, and four good sized rooms in he attic.

The Restorative is put up in Bottle of 3 sizes, vis 1 large, coms on each floor, and four good sized rooms in the attic.

The re is also a good cellar. Well and Cistern the premises. The lower tenement is to let. For further particulars apply to MICHAEL E. PECKHAM, March 12—tf on the premises.
